

GRIEVANCE POLICY & PROCEDURE

Overview

College of Event Management is committed to providing an effective, efficient, timely, fair and confidential academic and non-academic grievance handling procedure for all students.

Academic matters include those matters which relate to student progress, assessment, course content or awards in a VET course of study. Non-academic matters include those matters which do not relate to student progress, assessment, course content or awards in a course and include complaints in relation to personal information that the college holds in relation to the student.

Non-academic grievances tend to arise from events occurring at a college facility or from decisions made by the college.

Grievances and Appeals

A grievance is when the student/respondent chooses to make a complaint.

An appeal can be made when a student/respondent is not satisfied with the outcome at any stage of the grievance process.

Responsibility

The College Administrator is responsible for implementation of this policy and procedure and ensuring that all staff members are fully trained in its operation and students are made aware of its availability. The College Administrator may delegate responsibility for the resolution of the grievance and /or appeal.
